

Account Statement

Booklessss · 2 April 2026 to 4 July 2026

About this document. Booklessss prepared this statement from its own account records for the period shown. It is a working summary for internal and bookkeeping use - it is not issued by a bank and is not a bank certificate of balance. Personal identifiers have been masked: account and card numbers show their last four digits only, and counterparty names are reduced to a label. Query any entry against the bank's own statement, which remains the record of account.

ACCOUNT

Who this statement covers

Account holder	Booklessss
Account type	Lifestart Student Account
Account number	●●●●3633
Statement number	18
Statement period	2 April 2026 to 4 July 2026
Statement date	4 July 2026
Currency	Zambian Kwacha (ZMW)

POSITION

Balances

Opening balance	15.19 Cr
Total credits (76 entries)	68,388.67 Cr
Total debits (82 entries)	68,354.33 Dr
Closing balance	49.53 Cr

Net movement over the period is 34.34 Cr: 15.19 opening plus 34.34 gives the 49.53 closing balance. Money moved through the account 158 times in three months, which is what a working float looks like rather than a held balance.

COST

What the account cost to run

Charges accrued across the period	578.00 Dr
Settled as service fees	168.00 Dr
Settled as value-added service fees	410.00 Dr
Cash deposit and handling fees	0.00
Total VAT	0.00
Credit interest rate	0.00%
Debit interest rate	38.75%

The two settled lines are the accrued total, not additional cost: 168.00 plus 410.00 is 578.00. Charges are raised per entry, shown in the Charge column of the transaction list, so what this account costs tracks how often it is used rather than what it holds.

DETAIL

Transactions in Zambian Kwacha (ZMW)

Credits carry a Cr suffix; debits are shown plain. The Charge column is the accrued bank charge raised against that entry. Entries shown as — carried no description on the source statement.
